

Thin and sleek business notebook design that combines performance and affordability

Windows®. Life without Walls™. HP recommends Windows 7.

HP ProBook 5310m Notebook PC

Prepare to be impressed with this incredibly thin and sleek 13.3-inch diagonal notebook PC at an amazing price.

Sleek is the word

Starting at only 1.7 kg and only 23.5 mm thin, this incredibly sleek notebook has a sophisticated aesthetic with a durable anodized aluminum display enclosure and palm rest. With a 16:9 LED-backlit antiglare or BrightView HD ¹ display, you get improved brightness, contrast and clarity.

Power in a small package

This notebook PC is packed with a powerful, standard voltage or affordable ultra-low voltage Intel® Celeron® Processor or Intel® Core™2 Duo Processor, 2 MP webcam with dual-microphone array for clear web conferencing ², strong security features to help protect your data, and a stylish, lightweight metal design that redefines notebook style.

Life on the move

Integrated HP Mobile Broadband powered by Gobi ³ allows you to conveniently access the internet, company intranet, e-mail, and mission critical information in more places than ever before.

HP Professional Innovations help you focus on your business

Built to protect. Integrated, customizable security solutions help defend your network, your applications and your data.

Built to simplify. HP QuickLook 3 provides read and write capability of email, calendar, task and contact information in seconds at the touch of a button, without having to boot up ⁴.

Built to last. A durable and lightweight metal case combines an anodized aluminum display enclosure and a magnesium alloy bottom case to protect your notebook from the rigors of daily mobile use.
